Oh no, no need for you to apologize, pinning others down is never an easy task - you are doing a great job.

I just sent Kacee another note a short time ago. So no word yet but if I don't hear back by Monday, I will tell her that there is someone else who wants the space. Sorry this is taking so long.

Hi Jackie,

I wanted to check in and see whether you heard back from Kacee Deener in regards to the tour of [REDACTED] Also, if Kacee is not going, will someone else from ORD be coming along? I think that we should know by Monday one way or the other so as to have time to try to fill the spot. We did offer Pat Brysee's spot back to Cheryl Coleman.

Also, to let you know, I am going to be investigating whether everybody going to [REDACTED] would need a TA - somebody mentioned that might not be the case since not everyone would have expenses and need reimbursement. Don't know, not sure whether anything happens with lunch, or also, whether TA is required to account for employees, so I will be checking it.
